Add a splash of colour

To ensure the perfect match, all our Composite doors and frames are available in a wide choice of colours.

Creating the look you want has never been easier.

1 Design options

There is a comprehensive selection of styles across our range of Composite Doors.

2 Fully weatherproof

Thanks to a water proof skin and double-sealed uPVC outer frame, your door will never swell or stick as no moisture is able to get into it.

3 Glazing styles

Each type adds something different to the overall look and there's a design to suit every type of home.

4 Highest security

Keep intruders at bay with a multipoint locking system, designed to withstand all attack methods.

Style options

From traditional to contemporary, we've the perfect design for your home – which you can customise with your choice of colour and door furniture.

Dual colours

Tailor your doors to your own specification by choosing the same exterior and interior colours, or a combination.

Glazing options

A wide selection of decorative glass to perfectly complement your choice of door.

Whether modern or traditional you will find a glass style to really make your door stand out.

Frame colours

Available in seven colours and finishes. Choose from dual colour or a white internal frame*

*Black Woodgrain only available with a white internal frame

Security built in

All our composite doors come with a high-security multipoint locking mechanism as standard, providing your home with the protection it deserves.

Additional security

TS-007 3-star accredited cylinders are available as an optional extra with all of our door locks, proven to effectively combat against lock snapping and forced entry.

High security

Awarded the Police 'Secured by Design' accreditation, our multipoint locks have been rigorously tested to the very highest security standards.

British built

Production, testing and assembly of all our door locking systems, are carried out in the UK.

Intelligent locking

Intelligent, compact and robust locks, which work perfectly with the design of our doors.

10 year guarantee

The multipoint locking system comes with a 10 year guarantee as standard, providing complete peace of mind.

1

Pre-compression rollers

Ensures smooth operation and maximises weather proofing.

2

Anti-lift pins

Slots into the frame to prevent the door from being moved or lifted.

3

Centre latch and hook

A combined central latch and anti-separation hook create a solid and rigid locking point.

4

Claw hooks

Grips the door sash to the frame for extra strength and solidity.
